

# CORPORATE PARTNERSHIP FAQ

What are the financial benefits of partnering with MedWish?

- Reduce fees affiliated with disposal, scrapping, recycling, & storing medical products
- Receive tax benefits for donating to a 501(c)3 non-profit organization *(to extent permitted by law)*
- Partnering with MedWish & local pick-ups are all free of charge

*\*Please consider talking to your Tax & Philanthropy Teams about the financial benefits donating to MedWish can have for your specific organization*

What additional benefits do we gain from this partnership?

- Receive marketing materials free of charge: testimonials, pictures, & videos from donation recipients
- Sponsorship opportunities
- Increased warehouse space
- Decreased hours needed internally to sort medical products, kits, recycling, etc.

How can I measure my organization's impact?

- Donation reports with tax information available on a monthly/quarterly basis - reports include the total weight donated
- Customized receipts available upon request
- MedWish can confirm receipt of items with financial values assessed prior by your teams
