

BAND AID BASH

MEDWISH INTERNATIONAL | SPONSORSHIP DECK 2023

MedWish International is a Cleveland-based nonprofit organization that saves lives and the environment by repurposing surplus medical supplies and equipment to provide humanitarian aid around the world. Since our inception in 1993, we have served 115 countries, reduced waste for a healthier planet, engaged thousands of local volunteers, and impacted millions of lives around the world.

This year is our **30th Anniversary** and we plan to celebrate this milestone during our **Band Aid Bash**. This fundraising event will be held on **Saturday, June 10th** at **FWD Day + Nightclub** where we will bring together a large mix of supporters, philanthropists, and members of the Northeast Ohio community in support of MedWish International.

There are many ways to contribute to the event and we would love for you to be involved during this special year.

Please visit www.medwish.org to learn more about the history of MedWish and our impact over the last three decades. If you have any questions, please contact our Director of Development, Allison Busser, at abusser@medwish.org or 216.692.1685x11.

On behalf of our recipients around the corner and around the world, we thank you for your support!
